- CONSISTENCY OF DAMAGES**

The damages sustained by the Insured's motorcar and the Third Party motorcycle appear to be consistent with the nature and circumstances of the incident.

Or

Please elaborate if you discover any inconsistencies in the vehicle's damage.

INVESTIGATION REMARKS

- SITE ENQUIRIES AT THE SCENE OF ACCIDENT**

Minimum 2-4 site enquiries required and must attached the discreet photographs in the report.

We proceeded to the site of the accident and found that the accident had occurred at the crossroad traffic lights junction. We were unable to conduct a site enquiry as there were no nearby residential or commercial buildings.

- INDEPENDENT WITNESS**

We were unable to locate any independent witness to the accident. Neither do the police have any on record.

OR

Our investigation revealed that there was an independent witness - details as follows:

We have interviewed and recorded the statement from the Witness. A reproduced copy is in enclosed in **Appendix G**.

- **EMPLOYMENT VERIFICATION OF THE THIRD PARTY**

Visit the third-party employer to check his earnings, position, length of service, and other details.

- **VERIFICATION WITH THE HOSPITAL**

1. To check the date and time of arrival of third party rider with the enquiries department.
2. To check how the third-party rider was transported to the hospital.

- **CHECKING IN SOCIAL MEDIA/PAPER CUTTING**

Our checking with the available social media and news portals revealed that no news about this accident carried over to such media and news portals.

- **DASHCAM RECORDING**

We gathered from the Participant / Insured that the insured/covered vehicle was not fitted with any dashcam similarly, we also enquired with the police, and they confirmed that there was no such dashcam recording provided by any independent party about this accident matter.

CONCLUSION / LIABILITY

Having probed into the circumstances relating to the accident and our findings with the authorities, we wish to advise that we are unable to trace any element of fraud in this claim. From the facts adduced, we are satisfied that the accident is a genuine incident and no foul play is suspected.

In so far as liability is concerned, the Participant driver has to bear the greater blame in this occasion. We are of the view that he/she should have been more careful and kept a proper look-out on the vehicles approaching before proceeding to enter into the main road.

Our view is supported by the police findings, which reveals that the Participant driver has been compounded under Rule 10 LN 166/59 for his/her negligent driving/riding which had mainly contributed to the accident under review.

The above information, captions, attachments, extracts and documents contained therein and attached with this report were secured on a Without Prejudice basis and is purely intended for the consumption of insurers in their decision making for purposes of settlement of claim involving the above accident which was investigated.

Having completed the assignment as required, we submit the above for your kind attention.

Thank you

Yours faithfully,

Sivakumar
