I hereby declare that the following statement has been voluntarily made by me for Insurance purposes. This statement is true and correct to the best of my knowledge and belief.

On Friday 30/06/23 at around 1pm, my mother Erni Tinus (01110566869) and myself had left our residence with my fathers car 2019 model Perodua Axia heading towards Alliance Bank, Seremban for my mothers banking matters. We left our home from Taman Angsamas and reached Jalan Pagar around 30-40 minutes later. I was looking for a parking spot and noticed an empty lot to my left and drove into the parking spot. Suddenly I heard a crash sound and noticed the motorcycle bearing registration number NAR 9718 rode by a Chinese middle aged man had hit into the passenger side fender and fell down. My mum and myself got down from our car and along with help from the public, lifted the motorcycle and carried the injured rider into my car. We then drove to CMH Specialist Hospital, Seremban for the riders medical attention. The rider was able to walk and we headed to the emergency unit where he was treated and sent home the same day. I drove him back to his motorcycle after the treatment. After which we drove to the

police station and lodged our report.

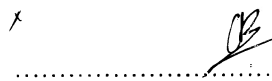

I paid for his medical expense of RM269.50, but the rider refused to let me keep the payment receipt. He had demanded for compensation on his motorcycle, however as it wasn't an agreeable amount we didn't give any other forms of cash payment and proceeded to lodge the report.
